

# Hops & Vines & Dines

SIP, SAVOR & SUPPORT LOCAL YOUTH

Join us for an exciting evening at Hops, Vines & Dines, where refined taste meets a meaningful cause. Guests will enjoy thoughtfully curated food with wine and craft beer pairings, and live entertainment at The Art Center. Bid on exceptional items in our silent auction and browse the extensive gallery collections of local art – all while supporting youth art programs that inspire and empower the next generation of creatives.

**Your support helps fund real programs for local youth.** It helps provide children’s dance classes, Summer Youth Art Camp scholarships, Youth Art Month, children’s art classes, kids’ activities at our biannual Arts in the Park Festival, youth clay experiences through our Open Clay Studio, and Fannin JAM – the only Junior Appalachian Musicians chapter in Georgia. In addition, BRMAA offers a variety of scholarships including one for a graduating Fannin County High School senior pursuing an education in the arts. With your support, we can continue providing many of these programs at little or no cost to local youth.
